

Final Exam Session

Read all instructions and questions before you begin.

On a separate sheet of paper, answer each of the questions below in complete sentences, making sure to provide examples and evidence as needed. Each response should be approximately one paragraph in length.

1. What have you learned this year in regards to the content of this course?
2. What have you learned this year about yourself?
3. What grade do you think you have earned for this course? Explain why.
4. What grade do you think you deserve for this course? Explain why.
5. What recommendations do you have for improving the course next year?
6. Final thoughts on most anything else...?
