**Directions:** Please respond to the prompt below, and be sure to provide ample explanation in support of your position.

---

**Prompt:** Whether you rock out to *The White Stripes*, mellow out with *Marley*, or hit your switches to *NWA*, chances are good you listen to certain music for one reason or another.

In no less than one full page, please consider, identify, and explain:

- What your favorite genre of music?
- What is your favorite singer or band within that music type?
- Why do you enjoy that type of music?
- What does the music you listen to say about you?
- Do you identify with the lyrics, the culture, or something else?
- If you had a theme song what would it be and why?
- Consider and explain what the lyrics mean and what they mean to you?
