Portfolio Project: Prompt 01 – The Value Of Education

Prompt Overview: The objective of this prompt is to consider and reflect on your views about the value of an education.

Directions: Please read all information in this prompt prior to moving forward with your response. In the event you do not complete this activity, it is up to you to find time outside of class to meet the project requirements.

Prompt: To complete this prompt, you must consider whether there is there value in education? In no less than one full page, please explain your position on the value of education, how you define education, and what influences in your life positively and negatively impact your views.

If you feel there is value in education, please consider whether you are doing everything in your power to obtain a solid education. If you feel there is no value in education, please also explain why.

In either case, be sure to supply at least three supporting details or other methods of backing up your claims, and explaining fully what your supporting evidence is intended to demonstrate.

Email/Save Your Work: Be sure to email a copy of your work to yourself, and save your work to your flash drive to avoid lost documents. **There is no excuse for missing work!**
