Portfolio Project: Prompt 06 - Course Performance Improvement Plan

Prompt Overview: The objective of this prompt is to consider your performance to date in each of your eight courses, identify potential areas for improvement, and develop a two-pronged plan to increase your grades in each course by half a letter (i.e. from a 'B' to an 'A-'.

Directions: Read all information in this prompt before moving forward or asking questions.

In the space below, please list each of your courses this semester, as well as your current grades for each. After you have done the previous step, please list two ways that you will attempt to bump up your grades for each class. A sample course entry has been provided.

The final step in this process is to type a well-written personal action plan that details the ways in which you will improve your academic performance in each class. In doing so, you will identify areas for improvement, as well as methods for increasing academic achievement.

Prompt: Using the sample template below, please list each of your courses, current grades (or estimates), as well as two areas for improvement. Upon completion of the template, please type your personal course improvement plan.

Sample:
